

Product Name:

LOW-PRO KERB RAMP

Product Code:

BF00075

Pack Quantity:

1

Product Description

The Low-Pro Kerb Ramp is an anti-slide wheelchair ramp and pedestrian kerb ramp, designed for temporary roadworks access.

Key Features

- Made from High-density polyethylene (HDPE) and PVC
- Integral slip resistant texture
- Low-Pro edge prevents damage to asphalt, reduces noise, and stops board sliding
- Proven to work in temperatures +50°C / 120°F to -30°C / -20°F
- Non-metal construction reduces theft
- Very stable without bolting
- Compact stacking for easy transport & storage
- Clearly defined thoroughfares to safety direct pedestrian traffic and mobility vehicles
- Adapts to varying kerb or step heights (60mm to 160mm)
- Supports mobility vehicles and foot traffic up to 350kg
- Complies and exceeds the 'Wheel Chair Boarding Ramp Specification', the 'Safety at Street works, Code of Practice' and the 'Disability Discrimination Act'
