

**Product Name:**

**TG40 TRENCH BOARD**

**Product Code:**

**BF01094**

Exclusive to 

 Made in the UK

The TG40 Narrow Trench Board is a new innovation exclusive to CID Group. The TG40 measures 400mm x 2000mm and features profiled edges, ensuring non-trip, and pre-drilled holes enabling quick and easy fixing down.

**Please note, the TG40 is not a bridging device and should always be used with support of ground**

### Key Features

- 400mm x 2000mm
- Heavy duty protection for buried utilities
- Cost effective
- High impact resistance – do not shatter on impact
- Provide clear visual warning with bright colours and bold warning text
- Specially designed for electric grid installation works
- Rot resistant and chemically inert meaning a long service life
- Conforms to relevant internationally recognised standards
